CHRISTMAS CARD

Send a Christmas card or drawing to a care home. Write a personal message inside. Your thoughtful card will show older people living in the care home that you are thinking of them this winter.

Equipment needed

- Card or paper
- Coloured pens/pencils and other decoration
- Glue

Method

1) Fold your piece of card (or paper) in half to make it look like a card.

2) Decorate the front of your card! Take a look at our design that you can print out and colour in. Once you've finished you can glue it to the front of your card.

3) Write a personal message inside that introduces yourself: E.g. "Dear....., my name is ...... and I walk past your care home on my way to the park so I thought I would send you this Christmas card to bring you some joy."

Other things you could include in your message:

- ➢ Your favourite thing about winter
- ➢ Your favourite Christmas song or carol
- ➢ What Christmas means to you
